### CLASS PROPHECY

Looking ahead into the future ten years, we see the Class of '49. The following are bits of information concerning each of the members of this famous class.

The first stop on the list is the Lowell "brain mill" where we find ESTHER ANDERSON teaching the fundamentals of catfish to all the little Lowellites. Next we venture over to the Colton mansion, where we find DORIS BAGLES and Lyal Colton happily tending their six little Colton's, Eeny, Meeny, Miny, Moe, Joe, and Percival Sylvester.

Next we venture to Broadway, where we find SADIE BALL co-starring with CECIL WHITTLESEY in the famous Broadway hit, "Tobacco Road." Wait, I think I hear milk cans rattling. Yes, you guessed it! It's MARY CATHERINE CALLOWAY and Jim Cox waiting to pick up the milk of the local big-time farmer, WILLIAM WILLIS. William is operator of the famous "Sunset Dairy," the largest dairy farm this side of Skunk River. ELENORE DAVEY has now taken over the Eckles Food Market and has established branches in Danville Lowell, and Jintown. JEAN EDWARDS has joined the Metropolitan Opera and has run Margaret Truman out of business. JANET EDWARDS has taken over her secretarial duties for the famous mayor of Jintown, TERRY KILBOURN. RONALD ECKEY, the famous long-shot artist, has now risen to the position of coach at Steven's Academy for girls.

GAIL MAYBERRY has taken over Kennedy's Dairy and GWENIVERE HANKS helps him on his daily milk route. MARY ANN HANSON has graduated from nurses' training and in her spare time is coaching the famous "Big-Hill Globe Trotters." DONALD WARTH has become quite famous as a radio announcer and is quiz master for the local "Quiz Kids Program." DICK POLLOCK, paper carrier for "The Burlington Hawkeye Gazette" has been awarded with a small cart to carry his papers in, while BILLY CORNWELL, another carrier, has become a member of the Hawkeye Staff and has added a daily column entitled, "Born One Hundred Years Too Soon." DANIEL BROWN (Bone - crusher) has opened a school for boys where he guarantees to make a man out of a mouse in seven easy lessons.

BONNIE TAEGER has taken over her mother's job of making cakes and tries to keep her husband, MARVIN THOMAS, from feeding them to the dogs. JACK FAIRLIE has finally paid enough in to the Gateway to take the place over and has hired PATSY WHITE as chief vocalist, with "The Cowboy Caravan." KATHLEEN PITZER, unable to find a suitable man, is now residing in a cabin at Oakland Mills.

Thus ends the prophecy for the Class of '49. May they all live up to their expectations and be missed by everyone of us.

### LAST WILL AND TESTAMENT

We, the Seniors of the New London High School, of the year 1949, being sound in mind and healthy in body, do hereby make, publish, and declare this our Last Will and Testament, hereby revoking and annulling any and all will or wills by us made heretofore.

KATHLEEN PITZER wills her height to Suzanne Wessel on condition that she doesn't exceed six foot two. MARVIN THOMAS wills his hunting dogs to Verlee Boyd, hoping that she doesn't mistake them for wolves. DONALD WARTH wills his feet to Betty Prehm, and gives her his sympathy in buying shoes.

DORIS BAGLES wills her ability to be funny to Jerry Vice, with the hope that he shall become the life of the party?? BONNIE TAEGER wills her slimness to Joan Crabill, who she is confident will put it to good use!!! ELENORE DAVEY wills her lonely days to Earl Miller for the coming year, knowing that they shall make up for lost time in the near future?? MARY CATHERINE CALLOWAY wills her ability to make cat calls to Ellen Jones, providing she uses them only at basketball games!!

JANET EDWARDS wills her hair combing to Hayward Rogers, who she knows will put it to good use. JEAN EDWARDS wills her method of walking to Donna Dodds, providing she wears tight skirts. MARVIN THOMAS wills his scholastic ability to Bernita Weigert. CECIL WHITTLESEY wills his ability to make noise to Janet Preuss, with high hopes!

GAIL MAYBERRY wills his curly hair to Donald Farrington along with a Toni set. ESTHER ANDERSON wills Dayton Thornburg the Lowell Road providing he keeps it in good shape. GWENIVERE HANKS wills her flute playing to Camille Beattie, knowing that she will go far? TERRY KILBOURN wills his art ability to Harold Massey and Jerry Vice hoping they'll be as great a success!! MARY ANN HANSON wills Charlotte Golliday her calmness in basketball decisions?? SADIE BALL wills her meekness in Biology class to Wanda Harris. Ha! Ha!

WILLIAM WILLIS wills his basketball ability to Howard Knott and Dick Gholson, hoping they too become stars? DAN BROWN wills his nick name "bone crusher" to Dale Orr, providing he goes out for football next year. KATHLEEN PITZER, wills Marilyn Corrick her figure, on condition that she doesn't diet!

PATSY WHITE wills Don Preuss her fishing ability hoping he catches a ten-pounder! BILL CORNWELL wills his paper route to Dorothy McKeag, advising her to get some comfortable shoes. DAN BROWN wills Berdita Mosbey his acting ability, hoping she gets the Academy Award.

RONALD ECKEY wills his painting ability to Frank McKasson who knows he can trust him with it. JACK FAIRLIE wills George Elliott his driving ability, providing that he uses it within a year. DICK POLLOCK wills his time keeping at basketball games to Peggy Putney, who he knows will do a good job. PATSY WHITE wills Clifford Brown and Dayton Thornburg her ability to get along with teachers, knowing that they each lack in this respect. GAIL MAYBERRY and GWENIVERE HANKS wills Andy Breuer and a certain Mt. Pleasant girl, their going steady!!

In witness whereof, we have hereunto set our hands this our Last Will and Testament, at New London, Iowa.

#### ACTIVITIES OF THE JUNIOR CLASS

Last fall the juniors sold at the football concessions and cleared approximately \$105.42. December 2 the Juniors presented their class play "Home Sweet Homicide," and made close to \$87. The play centers around the actions of three young children who solve a murder and get a husband for their widow mother.

At the time of publication of this book, the Juniors are busily planning the Junior-Senior Banquet. We the Seniors know that it will be a success.

Later in the year they received their class rings which caused them to realize that they shall soon be following in the footsteps of the Seniors and looking forward to graduation. We the Seniors wish you lots of Good Luck!

#### ACTIVITIES OF THE SOPHOMORE CLASS

The Freshmen and Sophomore party was held in October. The Sophomores initiated the Freshmen by having the girls wear one boot and one high heel shoe, wearing pants rolled to the knees and having their hair in pin curls which were not combed out. The boys had to wear a low neck blouse and a short skirt and go barefooted, and wear a red ribbon around their ankles. They did humorous pranks to them.

Refreshments of ice cream, cookies, and cider were served, followed by dancing in the gym.

#### ACTIVITIES OF THE FRESHMEN CLASS

The Freshmen, like the years in the past, were rather skeptical at the thought of entering high school. They soon found that upper-classmen were willing to help them.

They proved that they have the makings of good students by the fine spirit shown at their initiation party given by the Sophomores.

The Freshmen have taken an active part in vocal music, band, and the main sports.

The class has made a good standing of intelligence represented by the number of their class on the honor roll.

#### OPERATIONS ROOSTER

The Eighth Grade has decided that the highlights of their year was their scientific experiment entitled "Operations Rooster."

We constructed a rooster skeleton and I think everyone will remember when we helped clean the bones and what a mess we had. After we got the bones all cleaned, we had to scrape them to be sure everything was off (including our fingers and finger nails). How Roberta enjoyed taking the eyeballs out of the cranium! It took us about two weeks to clean and scrap all the bones. After we had them cleaned and scraped we put them away for awhile. One morning we came to school and the teacher was looking at them and noticed that some of the tiny bones were gone. He thought some of the students had taken them. We found out later we had had a visitor the night before and it had carried some of the little bones to the back of the room putting some of them under the bookshelf and other places unknown. The visitor was a mouse. As a result we have yet to learn the difference between meta-tarsus and carpus-us's.

[illegible]

They had Mitzi sing over the radio, singing in place of Mrs. Kroggins. When Mrs. Kroggins sang they were already off the air. But Mr. Kroggins thought she was on the air.

Just as Mr. Kroggins was going to buy the station Archibald Throckmorton tells Joe Brown (Jerry Kennedy) that he has inherited a fortune, so they don't have to sell the station and Mitzi gets to sing on their new radio program.

## INTERCLASS BASKETBALL GAMES

The interclass basketball tournament was held March 2, 3, and 4. The seniors received the gate receipts and sold during the games. Both the girls and boys participated in this sport. Each group elected their captains and co-captains.

## HOMEMAKING PARTIES

Monday evening, January 24, the Homemaking girls entertained their mothers at a party. The party was held in the recreation room. The evening was spent playing games. Lovely refreshments were served to the fifty guests present. The second party was held later in the spring with it being centered around the style show.

## DRAMATIC CLUB

The Dramatic Club, under the direction of Mrs. Williams, prepared three one-act plays. They were "Londonderry Air," "Cinderella," and "Rumplestiltskin." Membership in the club was extended to new students in high school. The club now has forty-two members.

## BAND

The Concert Band consists of forty-three members. Of these only five are Seniors. They are the following people: Gwenivere Hanks, Elenore Davey, Jean Edwards, Janet Edwards, and Don Warth. They are still using the challenge system to get or keep their rating in the band. Last fall, the marching band performed nicely between the halves at football games. There are sixty members in marching band.

## STUDENT COUNCIL

The Student Council this year had charge of several parties. They were the following: Homecoming, two skating parties, in November and March, and a Christmas party.

The main event of the year was the Homecoming. The biggest job connected with this was the election of a Homecoming Queen, by the boys in high school. Gwenivere Hanks was chosen Queen and her attendants were Jean and Janet Edwards.

At Christmas time, the Student Council decorated trees in front of the building and made wreaths for the windows. The Christmas party consisted of a grab bag and a dance film.

The Student Council set the dates for the Freshmen-Sophomore Party the interclass basketball tournaments, and the ping-pong tournament.

They, also, approved of a fifty cent donation, by every student in high school, for the Christian Rural Overseas Project.

## ASSEMBLY PROGRAMS

Chapel programs were held the second Monday of each month. Rev. McDade, Rev. Sutton, and Rev. Eastwood delivered the addresses at these services. The committee in charge of the chapel services, were members of the Glee Clubs.

The Lynch Assembly, which was about archery, and Cleaves Assembly, over animals, were presented to the student body. Young Bear Assembly, about Indians, was presented to the grade school. The Liquidair Assembly Program is scheduled for later in the spring.

## SECTIONAL TOURNAMENTS

For the third time, in the last ten years, New London was awarded a Sectional Tournament. The Sectional Tournaments are the first in the State Tournament series. In 1949 there were 96 sectional tournaments compared to 64 in previous years. Since the number of tournaments increased, the number of teams represented at New London decreased. The teams participating in Class "B" were Danville, Denmark, Hillsboro, Yarmouth, Mt. Union, Stockport, and Salem. Class "A" were New London and Mt. Pleasant.

#### CHEERLEADERS

A crowd without cheerleaders is like an army without a leader. They don't get the right effect unless they work in unision. The four leaders this year did a swell job leading the yells.

Few of us realize how much time and outside effort was needed to do this type of work. An example of this is shown in the preparation for pep meetings, which were held the seventh period, just before school was dismissed on the day of the home games. In these meetings, skits were performed, encouragement talks were given by teachers and team members, the yells for the evening game were given a last minute brushing up, and in one of the final meetings, high school talent was called upon to provide entertainment.

The cheerleading suits which distinguish our leaders from the fans, fit the following description. The beanies were designed of alternated black and old gold strips. The jackets were of black satin, with a megaphone and the letters NLHS imprinted on their backs. The slacks were black. Also, black and white saddle shoes were used.

The four cheerleaders, this year are all Seniors which is unusual. Another interesting fact about our cheerleaders, was that, three were chosen Queen and attendants over our Homecoming festivities.

## FOOTBALL

The 1948 football season was highlighted by several outstanding features. It was the first season for the use of New London's newly lighted football field. The field was accepted by visiting fans and teams as one of the best lighted in this area. Perhaps a description of the lighting would be interesting. Seventy-two thousand watts of electricity are used. In order to supply uniform light, on the playing area, four poles were placed on each side of the field, each pole holding six reflectors, and each reflector carrying a fifteen-hundred watt bulb. New London should be proud of the lighting system as it will provide light for this recreational activity for many years to come.

Next on the list of highlights for the 1948 football season, was the fact that this was the first year for the operation of the newly formed Eastern Hawkeye Football Conference. Although New London did not fare too well, as to standing, they were not on the bottom at the close of the season. The conference was won by West Liberty. It should be remembered that there are nine schools in this conference. They are: Mt. Vernon, Wilton Junction, West Liberty, University High School of Iowa City, West Branch, Columbus Junction, Wapello, Winfield, and New London.

The 1948 season brought to a close the high school football careers of five Seniors: Dan Brown, Gail Mayberry, Terry Kilbourn, Jack Fairlie, and Marvin Thomas. Although the 1948 season was somewhat discouraging, when looking at games won and lost we find the boys played well. With the exception of the West Branch game, the margin of loss was not over twelve points at any game. With the interest in football shown by under-classmen, during the 1948 season, New London has every reason to look well to the future.
